

Autumn 2 2024

#### **Future Pathways Fair**

Our annual Future Pathways Fair took place on Thursday 21 November in Main House for the first time. We were delighted to host over 50 exhibitors from universities, companies and organisations offering gap opportunities. Pupils from Freemen's and many of the local schools visited the fair with their parents, gaining valuable information from the exhibitors and the talks.

The talks were on 'Apprenticeships as an Alternative to University' and 'Choosing and Applying to Competitive Universities'. Please click <a href="here">here</a> to listen to the talks if you were not able to attend.

Thank you to everyone that came and supported the event as an exhibitor, visitor or student helper.

Autumn 2 2024

#### **University Update**

Almost all the UCAS forms have now been sent off, and the last few should be sent before we break up for Christmas. Offers are coming in for the students and interviews are taking place for the Medics and Oxbridge applicants.

Good Luck to all Upper 6 Students.

#### **Mock Interviews with Parents**

In the last two weeks every pupil in U5 has had the opportunity to develop their interview skills for universities or employment. Following their PSHE lessons they each had a mock interview with Freemen's parents. Thank you to all parents who kindly gave their time.

### 1:1 Interviews

During the Autumn term every pupil in U5 has had a 1:1 interview to discuss their future pathways. Looking at their skills, interests and personalities they discussed careers, university courses, and their A level choices ahead of making their decisions at the beginning of February.

#### **Alumni Careers Panel**

On 4 November we were joined by seven former Freemen's students who shared the experiences of their career journeys. With Architecture, Consultancy, IT, Law, Design Technology, the Public sector and TV distribution represented the pupils gained a wealth of knowledge from a number of sectors. Some of the jobs they are doing did not even exist when they were at school considering their future plans! Thank you to our alumni for being part of this.

### **U6 Assembly on Networking**

InvestIn visited Freemen's in November to speak to the U6 students about the importance of 'Building a Network'. She shared the importance of employability skills, networking, an elevator pitch, gaining work experience, and establishing professional connections.
